15. Amendment to the Articles of Association

The Board of Directors proposes to the General Meeting that the Articles of Association of the Company be amended in their entirety to read as set forth in Annex 1.

The amendments concern the removal of all provisions regarding class B shares, Terex Corporation, and the Company's liability for breaches of the Articles of Association, which were included in the Articles of Association in 2016 in connection with the acquisition of Terex Corporation's Material Handling & Port Solutions business, as well as a minor technical change to the wording of the arbitration clause in section 11 of the proposed new Articles of Association.

The reason for the proposed changes is that all class B shares in the Company have been converted to class A shares, and Terex Corporation is no longer a shareholder in the Company.

16. Authorizing the Board of Directors to decide on the repurchase and/or on the acceptance as pledge of the Company's own shares

The Board of Directors proposes to the General Meeting that the Board of Directors be authorized to decide on the repurchase of the Company's own shares and/or on the acceptance as pledge of the Company's own shares as follows.

The amount of own shares to be repurchased and/or accepted as pledge based on this authorization shall not exceed 7,500,000 shares in total, which corresponds to

approximately 9.5 per cent of all of the shares in the Company. However, the Company together with its subsidiaries cannot at any moment own and/or hold as pledge more than 10 per cent of all the shares in the Company. Only the unrestricted equity of the Company can be used to repurchase own shares on the basis of the authorization.

Own shares can be repurchased at a price formed in public trading on the date of the repurchase or otherwise at a price formed on the market.

The Board of Directors decides how own shares will be repurchased and/or accepted as pledge. Own shares can be repurchased using, inter alia, derivatives. Own shares can be repurchased otherwise than in proportion to the shareholdings of the shareholders (directed repurchase).

Own shares can be repurchased and/or accepted as pledge to limit the dilutive effects of share issues carried out in connection with possible acquisitions, to develop the Company's capital structure, to be transferred for financing or realization of possible acquisitions, investments or other arrangements belonging to the Company's business, to pay remuneration to Board members, to be used in incentive arrangements or to be cancelled, provided that the repurchase and/or acceptance as pledge is in the interest of the Company and its shareholders.

The authorization is effective until the end of the next Annual General Meeting, however no longer than until 26 September 2019.

17. Authorizing the Board of Directors to decide on the issuance of shares as well as on the issuance of special rights entitling to shares

The Board of Directors proposes to the General Meeting that the Board of Directors be authorized to decide on the issuance of shares as well as the issuance of special rights entitling to shares referred to in chapter 10 section 1 of the Finnish Companies Act as follows.

The amount of shares to be issued based on this authorization shall not exceed 7,500,000 shares, which corresponds to approximately 9.5 per cent of all of the shares in the Company.

The Board of Directors decides on all the conditions of the issuance of shares and of special rights entitling to shares. The issuance of shares and of special rights entitling to shares may be carried out in deviation from the shareholders' pre-emptive rights (directed issue). The authorization can also be used for incentive arrangements, however, not more than 1,000,000 shares in total together with the authorization in item 18.

The authorization is effective until the end of the next Annual General Meeting, however no longer than until 26 September 2019. However, the authorization for incentive

arrangements is valid until 26 March 2023. This authorization revokes the authorization for incentive arrangements given by the Annual General Meeting 2017.

18. Authorizing the Board of Directors to decide on the transfer of the Company's own shares

The Board of Directors proposes to the General Meeting that the Board of Directors be authorized to decide on the transfer of the Company's own shares as follows.

The authorization is limited to a maximum of 7,500,000 shares, which corresponds to approximately 9.5 per cent of all the shares in the Company.

The Board of Directors decides on all the conditions of the transfer of own shares. The transfer of shares may be carried out in deviation from the shareholders' pre-emptive rights (directed issue). The Board of Directors can also use this authorization to grant special rights concerning the Company's own shares, referred to in Chapter 10 of the Companies Act. The authorization can also be used for incentive arrangements, however, not more than 1,000,000 shares in total together with the authorization in item 17.

This authorization is effective until the next Annual General Meeting of Shareholders, however no longer than until 26 September 2019. However, the authorization for incentive arrangements is valid until 26 March 2023. This authorization revokes the authorization for incentive arrangements given by the Annual General Meeting 2017.

19. Authorizing the Board of Directors to decide on a directed share issue without payment for an employee share savings plan

The Board of Directors proposes to the General Meeting that the Board of Directors be authorized to decide on a directed share issue without payment needed for the continuation of the Share Savings Plan that the Annual General Meeting 2012 decided to launch.

The Board of Directors proposes that the General Meeting authorize the Board to decide on the issue of new shares or on the transfer of own shares held by the Company to such participants of the Plan who, according to the terms and conditions of the Plan, are entitled to receive free shares, as well as to decide on the share issue without payment also to the Company itself. The Board of Directors proposes that the proposed authorization includes a right, within the scope of this Plan, to transfer own shares currently held by the Company, which have earlier been limited to other purposes than incentive plans. The number of new shares to be issued or own shares held by the Company to be transferred may in the aggregate amount to a maximum total of 500,000 shares, which corresponds to approximately 0.6 per cent of all of the Company's shares.

The Board of Directors considers that there is an especially weighty financial reason for the directed share issue without payment, both for the Company and in regard to the

interests of all shareholders, since the Plan is intended to form part of the incentive and commitment program for the Group personnel.

The Board of Directors is entitled to decide on other matters concerning the share issue. The authorization concerning the share issue is valid until 26 March 2023. This authorization is in addition to the authorizations in items 17 and 18 above. This authorization replaces the authorization for the Share Savings Plan given by the Annual General Meeting 2017.
